ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE WAIANAE SUSTAINABLE COMMUNITIES PLAN AREA

WHEREAS, the Public Infrastructure Map for the Waianae Sustainable Communities Plan area has been adopted under Resolution 2000-121; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu 1990, as amended, requires a major public facility, including a fire station, to be shown on the appropriate public infrastructure map for a development plan area before the City Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the City Council finds that the placement of a fire station symbol on the Waianae Public Infrastructure Map is necessary to fund the land acquisition and construction of the planned fire station; and

WHEREAS, the Maili Point Fire Station will provide additional fire protection and emergency services to the entire Waianae region; and

WHEREAS, the Maili Point Fire Station, shown on Exhibit A, is consistent with the adopted General Plan and the Waianae Sustainable Communities Plan; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the Waianae Sustainable Communities Plan area be revised to include a symbol for a fire station as shown on Exhibit A; and

BE IT RESOLVED by the Council of the City and County of Honolulu that the fire station symbol shall be deleted from the Waianae Public Infrastructure Map by administrative procedure once completion of all necessary components have been certified by the Department of Design and Construction and the Honolulu Fire Department to the Department of Planning and Permitting and the City Council; and
